MILAN / CASORIA CARE INSTRUCTIONS

Our outdoor furniture is made with the highest quality outdoor materials however there is some maintenance required to keep the furniture looking fresh so that you can enjoy it for years to come. Here are a few things you may want to know.

BEST SUITED FOR:

Holiday homes, high sun soaked and uncovered outdoor areas. The Milan and Cassoria ranges are made with the highest quality Sunbrella fabrics and should require little maintenance.

AFTER EACH USE:

Wipe down fabric with a damp cloth to keep it clean and fresh. This will remove dust and dirt that may have settled on the fabric.

WINTERISING YOUR OUTDOOR FURNITURE:

If space is available, it's ideal to move your furniture into a sheltered location such as your garage. If this isn't practical, consolidate pieces into the smallest possible space and cover the set with a high quality outdoor cover. The best outdoor covers have air vents that let air circulate, preventing mould and mildew from growing.

TO CLEAN:

All Sunbrella fabrics are engineered to combine the highest level of design and performance. For easy cleaning of your Sunbrella fabric:

1. Brush off loose dirt.
2. Spray on a cleaning solution of water and mild soap.
3. Use a soft bristle brush to clean.
4. Allow cleaning solution to soak into the fabric.
5. Rinse thoroughly until all soap residue is gone.
6. Air dry.
