VALENCIA CARE INSTRUCTIONS

Our outdoor furniture is made with the highest quality outdoor materials however there is some maintenance required to keep the furniture looking fresh so that you can enjoy it for years to come. Here are a few things you may want to know.

BEST SUITED FOR:

Outdoor areas protected from long exposure to sun. Using umbrellas or sun-shades is an easy way to provide shade for yourself and the furniture.

AFTER EACH USE:

To prolong the life of the wicker setting, it is recommended to bring cushions inside and use a furniture cover to protect the wicker from the harsh sun.

WINTERISING YOUR OUTDOOR FURNITURE:

If space is available, it's ideal to move your furniture into a sheltered location such as your garage. If this isn't practical, consolidate pieces into the smallest possible space, remove cushions to store indoors and cover the set with a high quality outdoor cover. The best outdoor covers have air vents that let air circulate, preventing mould and mildew from growing.

TO CLEAN WICKER FURNITURE:

1. Remove all cushions.
2. Use a garden hose to completely wash down furniture.
3. Mix together a cleaning solution use a mild soap and lukewarm water.
4. Use a soft bristle brush to gently clean the furniture.
5. Wash it down again using the hose until all the soap is gone.
6. Air dry outside.
